The present paper and amendment is being filed under 37 CFR § 1.312 in response to a voicemail message received on February 5, 2010, from Examiner Keys. Examiner Keys advised that the drawings that were submitted on December 9, 2009, were still not acceptable in the above-identified application. In accordance with Examiner Keys' message, Applicants present the present amendment in accordance with 37 CFR §1.312. This amendment is filed after allowance and before payment of the issue fee, on the recommendation of the primary examiner and without withdrawing the application from issue. Applicants submit that no new matter is introduced by this amendment and the description of the drawings is presented simply describing the content of each of the drawings.

The Commissioner is authorized to charge any additional fees or credit any overpayment to the Deposit Account of McAndrews, Held & Malloy, Account No. 13-0017.

Dated: February 9, 2010
